

This **Brand Brief** serves as the master identity document for **Purple Rain Galore (PRG)**. It is designed to be injected directly into **Step 2** of your **BLAST-Lite Protocol** to ensure the AI generates a consistent, high-end "Market Dominator" platform.

Brand Brief: Purple Rain Galore (PRG)

1. Executive Summary

- **Brand Name:** Purple Rain Galore (PRG).
- **Industry:** Luxury Unisex Salon, Spa, and Beauty Academy.
- **Mission:** To provide elite, gender-inclusive beauty and wellness services that combine professional skill with a tranquil, royal atmosphere.

2. Visual Identity & "Soul" Injection

- **Brand Vibe:** "Noir Luxe" / Modern Luxury. It must feel exclusive, sophisticated, and serene.
- **Primary Palette:** * **Royal Purple:** The core brand color, representing luxury and calm.
 - **Magenta/Plum:** Used for high-energy accents and call-to-action elements.
 - **Silver/White:** For high-contrast typography and clean borders.
- **Typography:** * **Headings:** Elegant Serif (e.g., *Playfair Display*) to evoke a "royal" heritage.
 - **Body:** Modern Sans-Serif (e.g., *Inter*) for technical clarity and mobile readability.

3. Service Architecture (The Data Schema)

These categories should be used to populate the **Supabase services table**:

- **Hair Care:** Skilled styling for both genders, including haircuts, female hairdos, and specialized treatments (relaxers/cleansing).
- **Aesthetics:** Lash and Brow aesthetics, Microblading, and Microshading.
- **Nail Artistry:** Professional manicure, pedicure, cleaning, and polishing.
- **Body & Wellness:** Comprehensive SPA treatments.
- **Educational Wing:** Professional Beauty Trainings and certification.

4. Digital Presence & Contact Strategy

- **Target Search Term:** "Best luxury unisex spa and microblading in Jos".
- **Physical Footprint (GEO Data):** * **Primary:** Suite 10, Shammah Plaza, Opposite Health Post, Lowcost, Jos.
 - **Secondary:** Rehoboth Square Plaza, Beside Rayfield Medicals, Zarmaganda, Jos.

 - **Social:** @purplerrain_galore (Instagram).

5. The "Tier 3" Engineering Guidelines

- **3D Scene:** The website background should feature a subtle "spatial" rain effect in purple neon tones.
- **User Experience:** Use **Glassmorphism** (frosted glass effects) for all UI cards to maintain the "Luxe" aesthetic.
- **Accessibility:** A global toggle for **Focus Mode** must be present to support neurodivergent users by stripping 3D motion.

Next Step for SoriKyo Systems
